A.

T.

B.

buck - ets o - ver lea - ve your lan - terns low There's
 down in Min - go laid their sho - vels down We won't
 coal will kill me fore my wor - kin days are through I'm in a
 they've got the pow - er cause they'vebought up all the coal They want

S. fire pull in our hearts and fire - e in our souls But there
 hole ano that's ther pillar dir - ty an load ear - ly grave us to find fall But Or
 us to stand div - id - ed they want for us to to fall But I we

A. fire pull in our hearts and fire - e in our souls But there
 hole ano that's ther pillar dir - ty an load ear - ly grave us to find fall But Or
 us to stand div - id - ed they want for us to to fall But I we

T. fire pull in our hearts and fire - e in our souls But there
 hole ano that's ther pillar dir - ty an load ear - ly grave us to find fall But Or
 us to stand div - id - ed they want for us to to fall But I we

B. fire pull in our hearts and fire - e in our souls But there
 hole ano that's ther pillar dir - ty an load ear - ly grave us to find fall But Or
 us to stand div - id - ed they want for us to to fall But I we

S. ai'nt gon - na be no fire in the hole
 lift an - other finger till the union we leave have won
 plan to make a stick to - gether to make vic - tory - for hind
 plan to stick to - gether to make vic - tory - for hind
 all

A. ai'nt gon - na be no fire in the hole
 lift an - other finger till the union we leave have won
 plan to make a stick to - gether to make vic - tory - for hind
 plan to stick to - gether to make vic - tory - for hind
 all

T. ai'nt gon - na be no fire in the hole
 lift an - other finger till the union we leave have won
 plan to make a stick to - gether to make vic - tory - for hind
 plan to stick to - gether to make vic - tory - for hind
 all

B. ai'nt gon - na be no fire in the hole
