When summer time has gone
 And autumn winds are threat-nin
 To blow our love away
 Tis then love will be tested.
 Arm in arm we'll stand,
 Side by side together
 To face the common foe
 That would tear our love asunder.

Oh Ye fair weather friends

Where are you now I need you

Gone like the autumn sun

On dark December mornings

When hard times come around

Like cold and stormy weather

There's only you and I, my love

To shelter one another

Chorus

Now **if** there's a time to fight,
 Then there's a time for healin
 As the sun will melt the snow
 On clear, bright April mornings.
 Our fight has run its course
 Now let us start to healin
 And let us all embrace
 Sweet reconciliation

Chorus
